## ABOUT OMAN

### Background - SULTANATE OF OMAN

Oman's history tells stories of heroism, courage, wisdom, patriotism, love and devotion to homeland. This brings us closer to understanding the richness of the Omani cultural experience which has contributed to the building of modern Oman. The Sultanate of Oman is a country in Southwest Asia, on the southeast coast of the Arabian Peninsula. It borders the United Arab Emirates in the northwest, Saudi Arabia in the west, and Yemen in the southwest. The coast is formed by the Arabian Sea in the south and east, and the Gulf of Oman in the northeast. Sultanate of Oman is progressing very rapidly with the vision and guidance of his Majesty Sultan Qaboos bin Said AlBusaidi the ruler of Sultanate Of Oman.

### Background - IFTDO

The International Federation For Training and Development Organization (IFTDO) is a worldwide network of human resource professionals committed to identifying, development and transferring knowledge, skills and technology to enhance personal and organizational growth, human performance, productivity, and sustainable development. Accredited as a Non-Government Organization by the UN Department of Public Information and the ILO, it helps to ensure that members' voices are heard by international policy makers influencing outcomes in human development. A diversified network of human resource management and development organizations, IFTDO links HR professionals in HR societies, corporations, universities, consultancies, government organizations and enterprises .

### Background - OSHRM

The Omani Society for Human Resources Management (OSHRM) is a non-profit Organization that aims to building Human resources capability in the Sultanate of Oman. OSHRM was founded on May 2014, to provide the tools, knowledge and standards for HR professionals to excel at their roles. The objective encompasses the development of the skill sets of HR professional resources by benefiting from their local expertise and knowledge.

The Vision of OSHRM is to be recognized as Oman's leading HR Society and the collective voice of HR professionals in Oman to support the development of Human Capital nationwide. The Society is managed by elected Board Members who combine HR and leadership skills and expertise representing large organizations from different industries.

OSHRM provides its members with an opportunity to gain benefits from business and HR leader's insights and knowledge to keep them at pace with the latest HR developments through several knowledge sharing sessions in the form of conferences, workshops, symposiums etc. In addition to this the society also runs a Magazine and has initiated an annual award event for acknowledging and appreciating the work of professionals in the Human Resource space in the country.
