THE OFFICIAL CARRIER

The official travel sponsor for the conference is Emirates Airlines. Wholly owned by the Government of Dubai, Emirates is the international airline of the United Arab Emirates. In just a few short years, it has evolved into a globally influential travel and tourism conglomerate. Emirates is characterized by two key features - continuous explosive growth and a constant focus on top quality service. Maintaining its quality while continuing on its growth trajectory is the key to its success. Emirates will provide special fares to all the conference participants.

ACCOMMODATION

Dubai has probably the largest concentration of five star hotels in the entire world. From beachside resorts to urban architectural marvels, each of its hotels offers a unique vantage point and has plenty to offer visitors.

What's more, there are several hotels in the two to four star range. During the conference, reduced-rate accommodation will be arranged for participants at the venue in Dubai. Information on hotel rates for single and double rooms will be provided on the website: www.iftodubai2018.com
